

Marietjie 'n vrou met vele talente

'n Vriendelike vrou met vele talente versteek in Paradystraat 54, Heilbron. Marietjie Viljoen is 'n inwoner van Heilbron vir die afgelope 15 jaar en verf met helder kleure mense se versoeke met die grootste passie in haar hart. Sy ontvang die liefde van 5 kinders wat haar ondersteun en liefhet om haar droom na te streef. Met helder kleure is haar gunsteling tema Vrystaatse plaashuise wat geverf word op canvas wat sy self oortrek. Haar medium is meestal olieverf, maar sy kan ook met akriel werk, mosaik doen, potte bak en klavier speel. Haar kunstenaarshuis hang vol voorwerpe wat sy in kuns verander het of self gemaak het. 'n Kunsuitstalling word gehou by die Art Studio vanaf 30 Oktober, openingsaand, tot 2 November, in haar eie huis in Paradystraat. Hierdie is haar eerste alleen-uitstalling in Heilbron sedert 2012 en sy beplan om dit meer gereeld te doen. Haar gunsteling uitstappies is na die "scrapyard" waar sy haar verf oppervlakte vind - mees algemeen is satellietskottels - want sy glo enige iets is kuns. Sy sê verf is vir haar soos asemhaal en sy doen dit al vir so lank as wat sy kan onthou, professioneel vir omtrent 15 jaar al. Dit is dus nadat sy die roetine van 'n korporatiewe werk as sielsdodend beskou het. Iets waarna haar aanhangers kan uitsien is juwele wat sy binnekort gaan begin maak met resen. Marietjie is op haar gelukkigste en het 'n oog vir enige skildery.
